* – The numbers next to each month are (a) the number of days school is open in that month (b) the cumulative number of days open since the start of the school year.

`*' The Calendar includes 9 days for snow and other emergency closings. If we are closed more than 9 days due to snow days or other emergency closings, then we will make up those days by opening the school on those days marked with `*'. If all the 9 days are not needed, we will still continue with the above schedule and the last day will be on 6/9 for Students.

***Snow days/other Emergency closures:**

Snow Days: We decide on our own. We monitor Frederick County Public school (FCPS) and Montgomery County Public School (MCPS) systems announcements, but we decide on our own. We are generally open more days than FCPS/MCPS. There are days we will have a delayed opening at 10am due to weather conditions, and Before-care is not provided. We may also have an early closure due to weather conditions, and we close at 3PM with no Aftercare provided.

We will send out an Email to all parents and update our website (www.GreenValleyMontessori.com) at 6am. Our Facebook page is updated as well. When After-care is cancelled, the Email goes out at 1pm to provide enough time for the parents to pick-up their child.

Even if we are open, please make your own judgment for the safety of your children and you, when you decide to come to school.

Emergency closings: We will follow FCPS for other Emergency conditions, and if FCPS is closed then we are closed. We will send an Email and update our website immediately, and if required call the parents by phone.

Please provide us the Phone numbers and Email ids and update us when you change them.
